

APA format for journal / magazine article taken from UF databases

■ **20. ARTICLE FROM A DATABASE** To cite an article from a library's subscription database, include the publication information from the source (see [items 7–12](#)). If the article has a DOI (digital object identifier), give that number at the end and do not include the database name. If there is no DOI, include the name of the database and the document number assigned by the database, if any.
